Cannabis Growth Opportunity Corporation's ("CGOC"), is an investment corporation that offers unique global exposure to the emerging global cannabis sector. CGOC's main objective is to provide shareholders long-term total return through its actively managed portfolio of securities, both public and private, operating in, or that derive a portion of their revenue or earnings from products or services related to the cannabis industry.

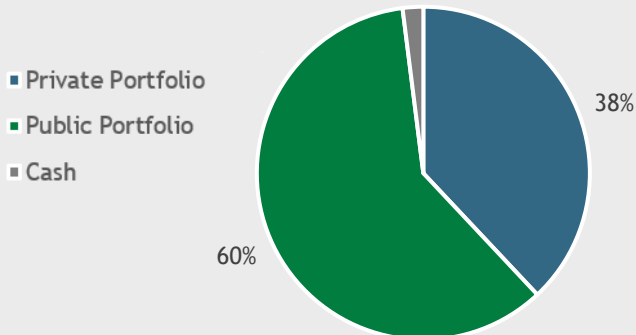

Since inception (January 26, 2018), the Net Asset Value ("NAV") of the total portfolio has increased by 41% (see press release dated Jun 18, 2019).

HIGHLIGHTS

- Share price decrease of 23% over the previous month closing at \$1.72 on June 14, 2019
- Discount to NAV of 47%, perpetuated by the decline in the share price – closing the discount gap remains a focus
- Go public transaction of Jushi Holdings Inc. on June 10, 2019

Portfolio Breakdown

Geographic Breakdown of Public Portfolio

Value for NAV is a non-IFRS (international financial reporting standards) measure and was calculated based on the estimated carrying value of CGOC's private investments used to calculate the monthly NAV. The term does not have any standardized meaning according to IFRS and therefore may not be comparable to similar measures presented by other companies. Management believes that the Value for NAV as provided can provide useful information to its shareholders in understanding the performance of the portfolio.
